[Postconviction Relief For The Florida Prisoner](#)

The last prisoner executed by means of the electric chair was Elmo Smith in 1962. Pennsylvania passed a law in 1990 that changed the method of execution from electrocution to lethal injection, the current means of execution. Prior to 1976, Pennsylvania carried out 1,040 executions, the third highest number of any state. Only three executions have actually been carried out since reinstatement ...
